2018 State Legislative Leadership Conference

The State Legislative Leadership Conference (SLLC) will be held March 2018 in Harrisburg, PA. Approximately 450 students attend workshops focusing on the legislative process, parliamentary procedure and state government. During workshops members are assigned to the “House” and “Senate” and debate current bills in Harrisburg. FFA members develop career, leadership and life skills during these interactive and hands-on workshops.

On Monday afternoon, all members and teachers participate in a community service project within the Harrisburg area. This project kicks off community service across the state as FFA members return to their local communities and continue to serve fulfilling their mission, “living to serve.”

This two-night, three day conference concludes on Tuesday morning with a legislative breakfast attended by over 50 Pennsylvania Legislators. The students are seated with their Representatives and Senators to discuss the bills debated at the conference. To wrap up the event FFA chapters tour the state capitol.

The PA FFA Foundation is looking for sponsors to enable students to attend the conference with a lower registration cost. We invite our partners to attend any segment of this conference. Partners may place a “welcome” letter in each participant’s notebook. For the legislative breakfast, major partner banners are placed throughout the dining room for additional exposure.
