Experience is often quoted as life's best learning opportunity. By enhancing the curriculum, the opportunities and the tools available in agricultural education classrooms, the Foundation strives to expand the "experience" provided for Pennsylvania students.

Applicants:

- FFA Members
- Agriculture Educator/FFA Advisor
- FFA Chapter

Projects may include:

- Supervised Agriculture Experiences
- Classroom Tools, Equipment, Resources
- Curriculum and Teacher Training

Grant Values: *a combined total of \$2000 maximum per year per School District*

- Individual FFA Member: \$500 maximum
- Teacher/FFA Advisor: \$1000
- FFA Program: \$1000

We believe agricultural education students should have the maximum opportunity to grow and succeed, leaving high school as prepared as is possible for the world ahead.

By completing this grant application, you're asking the Pennsylvania FFA Foundation to make an investment in Agriculture Education. Funds allocated through the Learning by Doing Grants are intended to make a lasting impact into the future of Pennsylvania's agriculture education.
