Subject: Learning By Doing Grant

**Awarded:** December 15th

**Report Due:** April 1<sup>st</sup>

**Recognition:** FFA Summer Convention

*Experience is often quoted as life's best learning opportunity. By enhancing the curriculum, the opportunities and the tools available in agricultural education classrooms, the Foundation strives to expand the "experience" provided for Pennsylvania students.*

## Applicants:

- FFA Members
- Agriculture Educator/FFA Advisor
- FFA Chapter

## Projects may include:

- Supervised Agriculture Experiences
- Classroom Tools, Equipment, Resources
- Curriculum and Teacher Training

## Grant Values: *a combined total of \$2000 maximum per year per School District*

- Individual FFA Member: \$500 maximum
- Teacher/FFA Advisor: \$1000
- FFA Program: \$1000

*We believe agricultural education students should have the maximum opportunity to grow and succeed, leaving high school as prepared as is possible for the world ahead.*

By completing this grant application, you're asking the Pennsylvania FFA Foundation to make an investment in Agriculture Education. Funds allocated through the Learning by Doing Grants are intended to make a lasting impact into the future of Pennsylvania's agriculture education.

***Please see separate files for applications specific to applicant...***

By completing the grant application, you're asking the Pennsylvania FFA Foundation to make an investment in Agriculture Education. **If the following report is not submitted by April 1<sup>st</sup>, the school district will not be allocated funds in the next calendar year.**

## **Learning By Doing Grant Reporting:**

**Due: April 1<sup>st</sup>**

1. Project Summary:
  - a. How did this project expand learning opportunities for agriculture education students?
  - b. How many students benefited from this project?
  - c. Share the successes of your project
  - d. Share how the learning opportunity or project can be improved in the future.
2. Provide a Financial Summary
  - a. Amount Granted
  - b. Itemized Costs
  - c. Revenue, if generated
3. Provide 5 or more digital pictures of the project

Reporting should be emailed to Sarah Sparks by April 1<sup>st</sup>:
