Thanks for the Memories

I look back on this past year as a major blessing! I have traveled to every corner of the state and then some, met friends from all over the state, seen people from all walks of life, laughed, cried, and stared in amazement.
 - Christopher Toews, 2013-2014 State President

I had such a privilege to serve 12,000 of the best FFA members in the world. I have got messages that thank you for service, but I didn't do anything. You the members did it all. The team and I just helped you along. Members, keep up the good work. You've all changed me for the better. My team, we will always be a family in my eyes.
 - Stephen Winkler, 2013-2014 State Vice President

My year as a State Officer was a fun one that inspired me to always follow my dreams and never ever give up. But now as I add a P before SO, I cannot wait to watch and see this team grow and inspire the members that they represent. Thank you to all the FFA members that I have met this year that have made me who I am today.
 - Austin Shay, 2013-2014 State Secretary

I have made countless memories that I will always have. Those memories would not have been made if it weren't for all the chapters I visited, members I met at conferences or conventions, or banquets I attended. Thank you FFA members for making this past year everything I imagined and so much more than I ever dreamed it could be.
 - Deidra Bollinger, 2013-2014 State Secretary

After 365 days serving over 12,000 members, with 6 tournaments that turned into family, and it now comes down to the blue corduroy jacket that I am left with. A jacket that is full of so many amazing memories from throughout the year. Each of which I couldn't thank each of Pennsylvania's amazing FFA members enough for. Thank you each for allowing me to serve you and thank you for teaching me more about myself than I ever thought was possible.
 - Michala Kuhlman, 2013-2014 State Chaplain

Pennsylvania FFA it has been whirlwind of a year. There are not enough words to describe what this year has meant to me and for that I have the members and advisors to thank for. To our 12,000 members each of you have allowed us as a state officer team into your families and for that we will be forever grateful. All of your accomplishments, successes, or grateful. All of your achievements on your own we were just there cheering you on.
 - Lena Biondi, 2013-2014 State Treasurer

It truly has been a blessing to have an opportunity to serve the Pennsylvania FFA. This year has been filled with so many irreplaceable memories that I could never forget. This year may have been all about serving the members, however, the members have helped me to grow in more ways than people could ever realize.
 - Kayla Wallace, 2013-2014 State Reporter
