

Learning by Doing Grant

Applications Accepted:
October 1st through November 15th

Awarded: December 21st
Report Due: May 1st

Recognition: FFA Summer Convention

Experience is often quoted as life's best learning opportunity. By enhancing the curriculum, the opportunities and the tools available in agricultural education classrooms, the Foundation strives to expand the "experience" provided for Pennsylvania students.

Applicants:

- FFA Members
- Agriculture Educator/FFA Advisor
- FFA Chapter

Projects may include:

- Supervised Agriculture Experiences
- Classroom Tools, Equipment, Resources
- Curriculum and Teacher Training

Ag Educators or FFA Advisor Application:

FFA Chapter Application:
<https://forms.gle/Nu6Qne7wQDgdfWu98>

Grant Values:

- Individual FFA Member: \$500 maximum
- Teacher/FFA Advisor: \$1000
- FFA Program: \$1000

The PA FFA Foundation believes agriculture education students should have the maximum opportunity to grow and succeed, leaving high school as prepared as is possible for the world ahead. By completing this grant application, you're asking the Pennsylvania FFA Foundation to make an investment in Agriculture Education. Funds allocated through the Learning by Doing Grants are intended to make a lasting impact on the future of Pennsylvania's agriculture education.

Please be sure you are using the appropriate application specific to applicant (Chapter, Ag Educator OR SAE)
