CDE Component	Points	Component Description	Virtual Platform
Part one of the score card will be samples, videos and/ pictures.	36 per pit	Using pictures, soil samples or videos, students will complete part one for each pit while on zoom with chairperson or committee.	Unsure at this time but plans are to use either actual soil samples sent out to each student or a video and pictures. This will be dependent upon numbers in the CDE and computer accessibility. Official plans will be shared following registration.
Part 2,3 and 4 will be completed based on results of part one.	64 per pit	Once part one is complete, they will move to parts 2,3 and 4 and complete for each pit. 20 minutes will be provided to complete each pit provided.	Google Classroom to distribute and return score card.
Causes for Disqualification: Opening soil textures early, using cell phones, working with someone else.
