

ALL IN.

Advocacy, Leadership, Legislation

WELCOME!

Today, we're making history! The ALL IN Conference is not only the first of its kind but Pennsylvania FFA's first-ever fully virtual leadership conference!

Together, we are going to explore how we can go ALL IN, even in uncertain times. Share pictures of your virtual conference experience online using the hashtag

My
Project:

DISCOVERING YOU

1. Think of a time when you felt inspired or moved to do something. What did that feel like? How did you react?
2. What comes to mind when you hear the word Advocacy?
3. What are 3 personality traits listed under the results of your personality test?
 -
 -
 -
4. Why are the things you are good at not considered strengths on their own?
5. "In my life, I get most excited about: " _____"
6. Based on what you are good at and the things you are passionate about, what are your strengths?

TRUE COLORS PERSONALITY TEST

In the first horizontal row of four squares, decide which group of three words seems most like you—and put a 4 in that square.

The group of words in that same row that seems next most like you will rate a score of 3, another group will get a 2, and the group which seems the least like you should be given a score of 1.

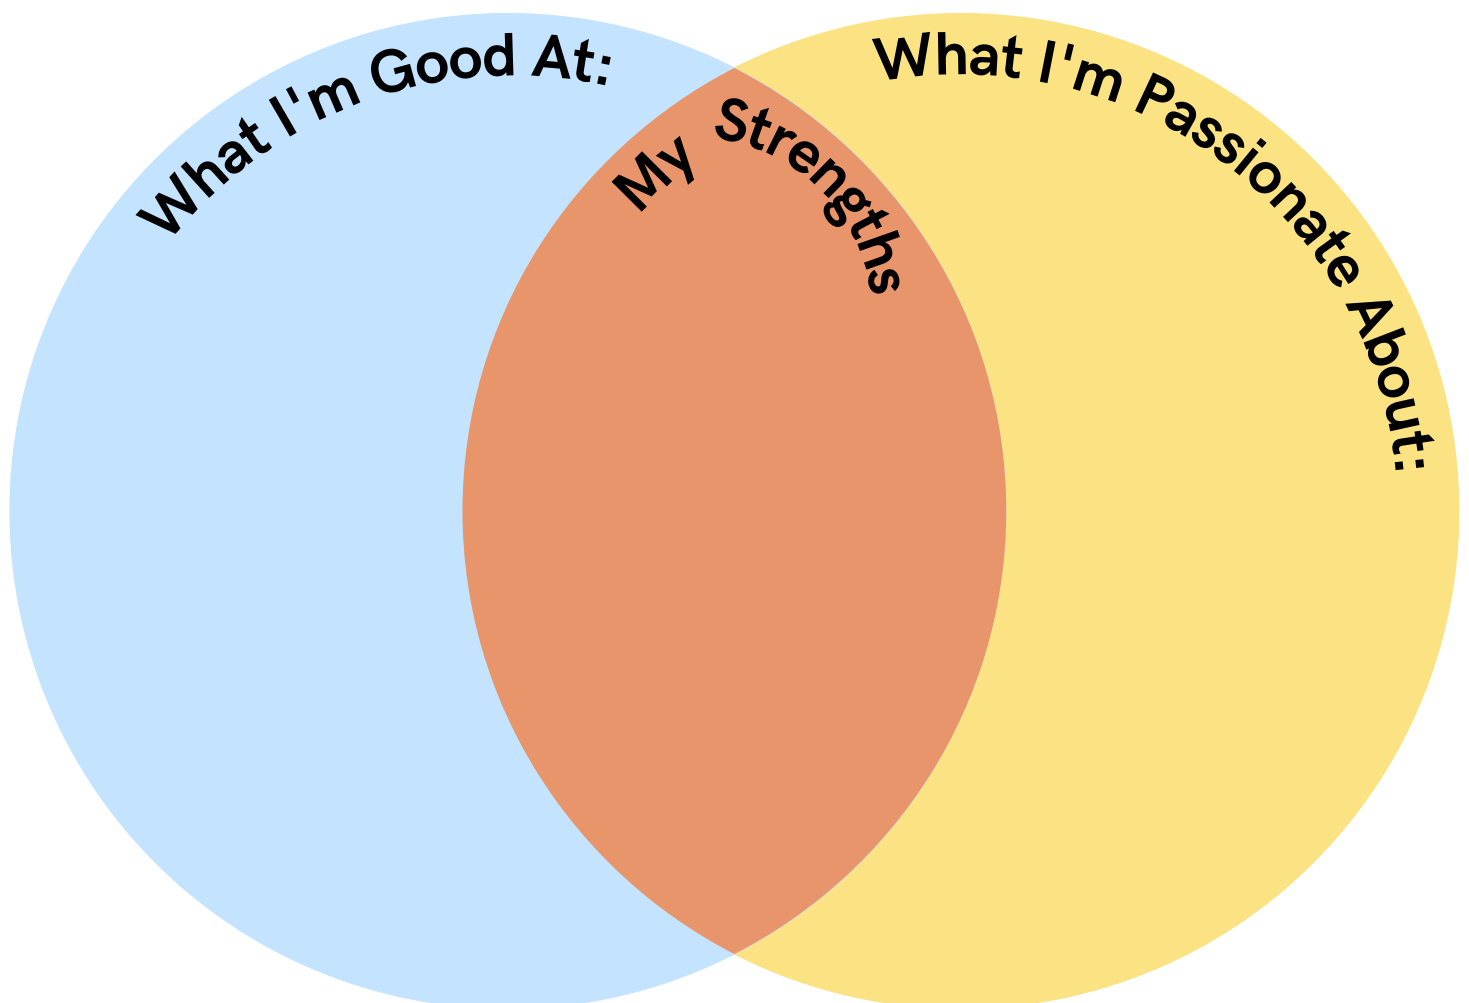

Then go on to the second horizontal row and score those squares in the same way: 4 for the group that's most like you, 1 for the group that's least like you, and a 2 and 3 for the ones in between.

Spontaneous Impulsive Impetuous	Stable Methodical Planner	Cooperative Idealistic Sincere	Rational Curious Complex
Adventurous Daring Hurried	Traditional Responsible Dependable	Faithful Compassionate Inspirational	Logical Analytical Loner
Loves Excitement Explorer Unpredictable	Dutiful Teacher Industrious	Authentic Empathic Motivator	Intellectual Inventive Problem Solver
Energetic Expedient Jokester	Makes rules Orderly Well-prepared	Supportive Self-aware Caring	System-thinker Independent Perfectionist
Bold Witty Risk-taker	Loyal Reliable Likes structure	Romantic Flexible Kind	Theoretical Ingenious Individualist

Now add the numbers in each of the vertical columns and put the totals in these squares.

If you got column 1 as your highest, your personality color is orange. If column 2 was your highest, your color is gold. The highest score in column 3 gives you a blue personality color, and If you scored the highest in column 4 your color is green.

Scan the QR code to learn more about your personality type and what each personality color means!
