

PENNSYLVANIA FFA FOUNDATION

MISSION GIVING OPPORTUNITIES

At a time when many wonder where they will find future employees and leaders for agriculture, agribusiness, and the food industry; the FFA, one of America's oldest, largest and most respected youth organizations may be your answer as we have been "Growing the next generation of leaders" for over 90 years.

The FFA prepares and inspires the next generation of farmers, agricultural scientists, food industry innovators and agribusiness leaders. It instills life-long work skills that are much needed in agriculture -- such as mechanics, welding and construction. Over 13,000 members in Pennsylvania and more than 600,000 youth nationwide are discovering their talents and developing their leadership skills in classrooms, laboratories, in the field and through FFA activities. Would your organization consider supporting one of the following events?

LEADERSHIP CONFERENCES

There are two FFA leadership conferences held annually in Pennsylvania which are The State Legislative Leadership Conference (SLLC) and The Agricultural Cooperation Establishes Success Conference (ACES). Over the course of four weekends over 2,400 students attend workshops to develop career, leadership and life skills. Some activities of the conference include: breakfast with the legislators, keynote speakers, student focused workshops, community service and so much more.

CAREER DEVELOPMENT EVENTS AND LEADERSHIP DEVELOPMENT EVENTS (CDES/LDES)

FFA has worked to create CDEs/LDEs for members to demonstrate meaningful connections between classroom instruction and real-life scenarios. CDEs/LDEs build upon what is taught in agricultural classes and the FFA. The events are designed to help prepare students for careers in agriculture. Classroom instruction comes alive as students demonstrate their skills in a competitive setting. CDEs/LDEs test the abilities of individuals and teams in 33 major areas of agricultural instruction.

PENNSYLVANIA SUMMER CONVENTION

Each year, over 1500 FFA members and guests from across Pennsylvania gather to celebrate the past year of FFA successes. The convention is held at The Pennsylvania State University in June. Members hear motivational speakers, compete in Career Development Events, attend awards and leadership sessions and can make many new friendships.

SCHOLARSHIPS

Annually, the foundation awards scholarships to graduating FFA members. With the average cost of a college degree exceeding \$53,000 in Pennsylvania, it's more challenging than ever for FFA members to afford postsecondary education in agriculture. What a great way to help educate future employees!

STATE OFFICERS

Pennsylvania State Officers accrue costs of mileage, housing, official dress, officer clothing and much more throughout the year while interacting with our local chapters; speaking at banquets; organizing and conducting leadership conferences and conventions. The mission of the Pennsylvania State Officer team is to promote activities the PA FFA Association.

GOLF OUTING

Our annual campaign is kicked off in September when the foundation hosts a golf outing at Foxchase Golf Course in Stevens, PA. Sponsors and donors play the 18-hole course in teams of four competing for prizes and networking outside the normal work environment. The day concludes with a steak dinner and charity auction.

JACKET SCHOLARSHIP:

Annually the PA FFA Alumni collects funds to award new FFA members with a free FFA official dress blue corduroy jacket. These jackets are awarded at the Mid-Winter Convention in January. Currently the cost of an official jacket is \$65. In the last four years, the Alumni has successfully awarded over 4,852 jackets!
