2022 Agriculture Establishes Success Conference

The Agriculture Establishes Success Conference (ACES) will be held the first three weekends in February in Harrisburg, PA. Approximately 1500 FFA members from across Pennsylvania, attend workshops focusing on career readiness skills, team work and leadership. Workshops led by current and past State FFA Officers are hands-on and interactive. This one-night, two-day conference concludes on Sunday morning with a breakfast and a motivational speaker. Each year the members focus on a service project. In years past the members raised money for Ruth's Harvest, packed food for a local backpack program feeding school age children and did landscaping at a local fire station.

The Pennsylvania FFA Foundation is looking for sponsors to enable students to attend the conference with lower registration costs. We invite our partners to attend any segment of this conference and will place a "welcome" letter in each FFA member's conference notebook. During meals, event partners' banners are placed throughout the dining room for additional recognition. Partners' logo will also be highlighted on our website and on social media.
