System Features

✓ Issues that need fixed will be identified as pages are saved. This alerts the user that information is missing.

The screenshot shows a yellow notification box with a warning icon. The text inside reads: "The page has been successfully saved", "There is 1 issue to fix on this page", and a blue link "Go to issue". Below the notification is a light blue breadcrumb bar with a dropdown arrow and the text "CATS: Secondary Programs".

✓ Side menu will show a green check mark indicating that section has been completed.

Program List i

CATS: Secondary Programs

Steps to Complete this Section:

1. To add a new secondary program, click on the Add a New Program button below. The Program details page will only display during submission window.
2. To enter or edit data for an existing approved secondary program, select the CIP Title in the Program List. The Program Details page will now be available.
3. Use the drop-down arrow to select the program status you would like to view. Click view list to generate the current programs offered at your LEA.
4. Also on this page are the PDE-320, Student Industry Certifications and Signed Assurances buttons.

Fields with asterisks (*) are required.

Career Cluster L&I Center for Workforce Information and Analysis PA Workforce Development

Per Act 67, verification is required to demonstrate a local need for the program.

Upload at least two letters of support from local employers who agree that the program prepares graduates to be qualified employees and the program meets their needs, as well as the needs of the community. After the letters have been uploaded, enter the community needs analysis by providing the SOC codes and the labor market needs in your area.

Letter needs to be on:

- company letterhead
- signed and dated,
- and on file.

OAC Approval

Occupational Advisory Committee

List the name, job title, and place of employment/organization serving on your Occupational Advisory Committee (OAC) approved by the school board. Members should include at least four individuals who are currently working in the occupation for which training is being provided, management/labor personnel, CTE students and graduates of the program, members-at-large from the community, and postsecondary representatives are required.

Identify which option regarding representatives from workforce development board, civic organization, and post secondary institution are utilized by selecting the appropriate choice below. *

Choice 1

Each OAC will have a representative from the post-secondary, the local Workforce Development Board (WDB) and the civic organization identified by name and organization/institution.

Supporting documentation includes a meeting agenda, meeting minutes, and a copy of the sign-in page.

Choice 2

The OAC members will be authorized separately by each organization, local Workforce Development Board (WDB), post-secondary institution (identified by name), and the civic organization (identified by name and organization/institution) with documentation/letters of support provided in program binders for the Approved Program Evaluation.

Supporting documentation includes letters from each of the following: the WDB, Civic organization, and postsecondary organizations. Letters are on company letterhead, signed and dated, and on file at the LEA.

Choice 3

The OAC members are authorized by the Local Advisory Committee (LAC) and appointed by the Board with documentation provided in binders for the Approved Program Evaluation. OAC members will be authorized by the LAC and documented in the minutes.

Regulation requires the Joint Operating Committee to appoint the OAC members in addition to the authorization by the WDB, Civic and Higher Education.

OAC Meeting Minutes – now uploaded

Steps to Complete this Section:

1. Identify members for your Occupational Advisory Committee (OAC).
2. For each member of your Occupational Advisory Committee, enter the requested information into each cell.

Contact/Mission

For more information on the (the topic of the presentation) please visit PDE's website at www.education.pa.gov

The mission of the Department of Education is to ensure that every learner has access to a world-class education system that academically prepares children and adults to succeed as productive citizens. Further, the Department seeks to establish a culture that is committed to improving opportunities throughout the commonwealth by ensuring that technical support, resources, and optimal learning environments are available for all students, whether children or adults.
