

Due Date: May 1, 2022
Grants Awarded: May 13, 2022
Reporting Due: September 1, 2022
Recognition: Summer Convention 2023

Experience is often quoted as life's best learning opportunity. By enhancing the curriculum, the opportunities, and the tools available in agricultural education classrooms, the Foundation strives to expand the "experience" provided for Pennsylvania students.

Applications:

- FFA Members: <https://forms.gle/bhsgHYPfLPRHQiXg9>
- FFA Chapter: <https://forms.gle/6BxABfTfwPDPLwTT7>
- Agriculture Educators: <https://forms.gle/DvCY1TTNSqywk8Cc8>

Projects may include:

- Any type of planned Supervised Agriculture Experiences
- Classroom Tools, Equipment, Resources, Etc.
- Curriculum, Teacher Training

Grant Maximum Values:

- Members, \$500
- Chapters, \$1000
- Educators, \$1000

The PA FFA Foundation believes agriculture education students should have the maximum opportunity to grow and succeed, leaving high school as prepared as is possible for the world ahead. By completing this grant application, you're asking the Pennsylvania FFA Foundation to make an investment in Agriculture Education. Funds allocated through the Learning by Doing Grants are intended to make a lasting impact on the future of Pennsylvania's agriculture education.
