

# Pennsylvania Association of Agriculture Educators

PO Box 532  
Palmyra, PA 17078

October 5, 2021

Dear Potential Sponsor,

The Pennsylvania Association of Agricultural Educators summer conference is scheduled for July 11-14<sup>th</sup>, 2022 to be hosted by the Delaware Valley University in Doylestown, PA. A primary goal of this conference is to offer agricultural educators professional development in the trades and skills to produce students ready to enter the agricultural industry or to pursue higher education. This conference provides resources and support to thrive in agriculture education through collaboration, industry career tours, and investing in our professional organizations resources. I am requesting the support of the local and state wide members of the agricultural industry to sponsor the upcoming 2022 PAAE Summer Conference.

Throughout the four days of the conference teachers will collaborate with others from across the commonwealth. Teachers will share ideas, lesson plans, and relevant teaching experiences that will impact 21<sup>st</sup> century learners. Teachers will engage in workshops, demonstrations, and industry tours to better prepare our future members of the agricultural workforce. As a sponsor of the 2022 PAAE Summer Conference, you will be investing in the education of the next generation of agriculturalists.

As we embark on offering a meaningful conference to Agricultural Educators, I hope that you consider investing in the professional development opportunities that will allow these individuals to better train and prepare students for the agricultural industry. Please do not hesitate to contact if you have questions regarding the conference or sponsorship opportunities. Thank you for helping to reach our goal of raising \$20,000 for our conference funds.

Respectfully,

*Kacey Rice*

Kacey Rice
