## 2020 Agriculture Establishes Success, Conference

---

The Agriculture Establishes Success Conference (ACES) will be held the first three weekends in February 2020 in Harrisburg, PA. Approximately 1500 FFA members from across Pennsylvania, attend workshops focusing on career readiness skills, teamwork and leadership skills. Workshops led by current and past PA FFA State Officers are hands-on and interactive experiences. This one-night, two-day conference concludes on Sunday morning with a breakfast and a motivational speaker. Each year the members focus on a service-learning project. Last year the members raised \$1200 for Ruth's Harvest, a local back pack program feeding school age children.

The PA FFA Foundation is looking for partners to enable PA FFA members to attend the conference with lower registration costs. We invite our partners to attend any segment of this conference and will place a "welcome" letter in each FFA member's conference notebook. During meals, event partners' banners are placed throughout the dining room for additional recognition. Partners' logo will also be highlighted on our website and on social media.
